Day 1:

Our driver and Chef will pick you at Mvuli hotel, drive to Oldonyo Lengai 4-5 hours. On the way to Oldonyo Lengai you will pass to Mto wa Mbu driving in Great eastern rift valley. See wild animals on the way together with Masai tribe. Hopefully you will arrive afternoon at Oldonyo Lengai Mountain. There are beautiful public camps around the area of Oldonyo Lengai. Get picnic lunch at the camp. After lunch you can have shower and after shower take evening walk to the waterfalls and see Masai villages in the Area. Overnight stay at your camp of your choice for dinner and overnight stay full board basis.

Day 2:

Midnight after refreshing tea with cookies our driver will drive you to the base of the mountain. This is where your climbing adventure starts. This mountain has elevation of 2,962m, situated south of Lake Natron and East side Ngorongoro crater. Walking with your guide slowly, the climb is challenging and difficult to the summit. Oldoinyo lengai is Masai word which means mountain of God. This is volcanic mountain and produces natrocarbonatite lava. The climb takes about 6-7 hours. After arriving at the summit, take pictures for about 20-30 minutes. After taking amazing pictures, walk down to the base of the mountain 3-4 hours. Meet our jeep and transfer to the camp to relax and lunch. Overnight stay at public campsite full board basis.

Day 3:

Morning after breakfast walk to Lake Natron. Lake Natron is salt lake famous for Flamingos breeding. You will see wonderful adventure you never see before. Afternoon come to the camp for hot lunch. After lunch drive to Arusha 4-5 hours. This is where your adventure ends. Overnight stay at Mvuli hotel bed and breakfast.

Please note; on the day 4, our driver will pick you at the hotel and drive to the Airport for your home flight or other destination. This will be the end of our service.
